## Table of Contents

Sports ----- 156

Activities ----- 128

You are about to read the story of a year, told in words and pictures. The staff of the *Milestone* 1967 hopes you will enjoy the product of our efforts now, and when you open this book many times in the future.

Actually, the yearbook covers March, 1966 through March, 1967, so that we are not able to present the Spring sportsmen. However, we have continually revised this year's edition until the final publishing so that it is as current as possible. The students of Plainfield High School made the record; the *Milestone* has recorded it.

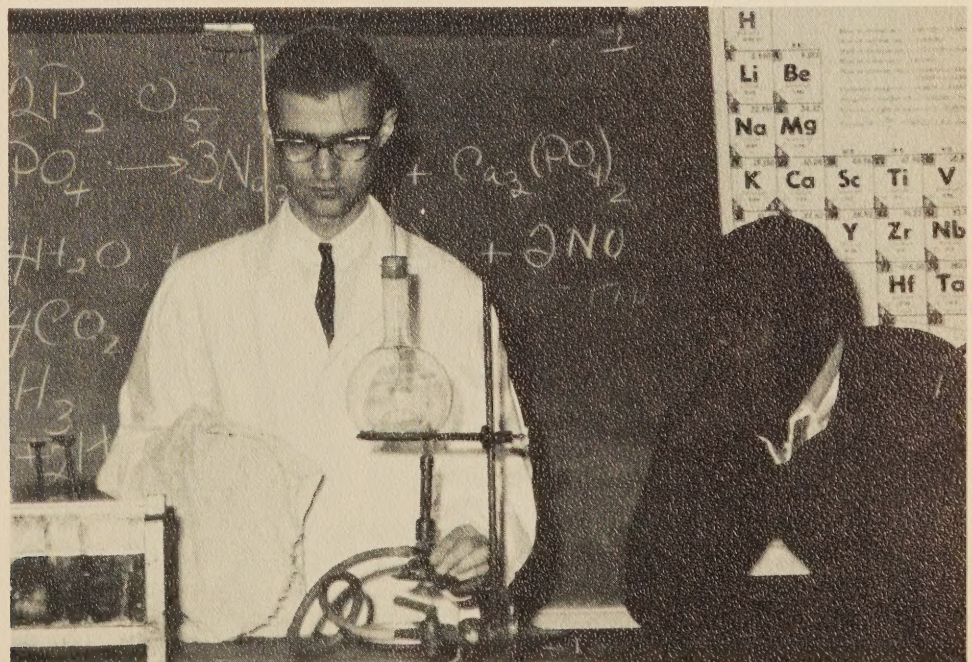

*Only the educated are free.*  
Epictetus

*Men love to wonder and that is the seed of our science.*  
Emerson

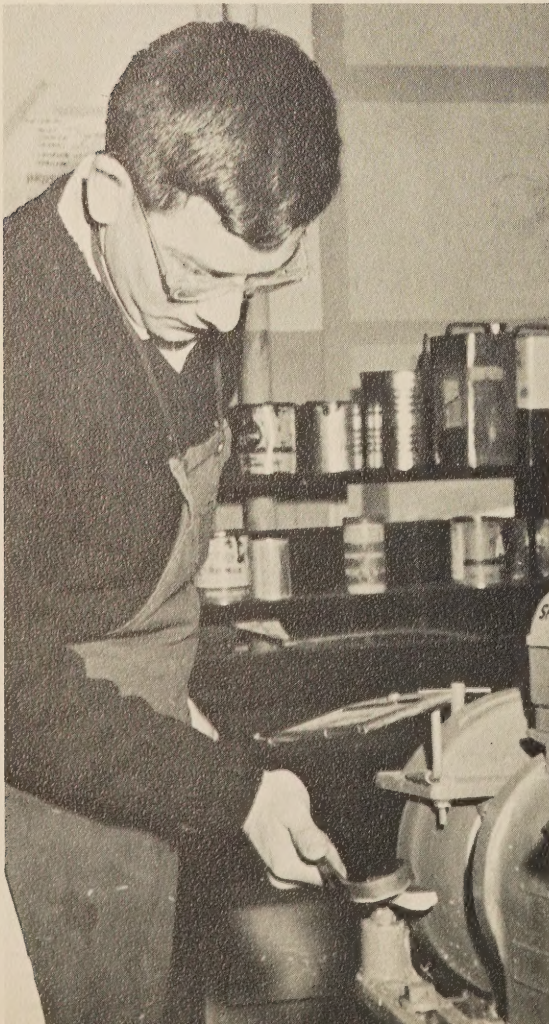

*There's nothing worth the wear of winning,  
But laughter and the love of friends.*

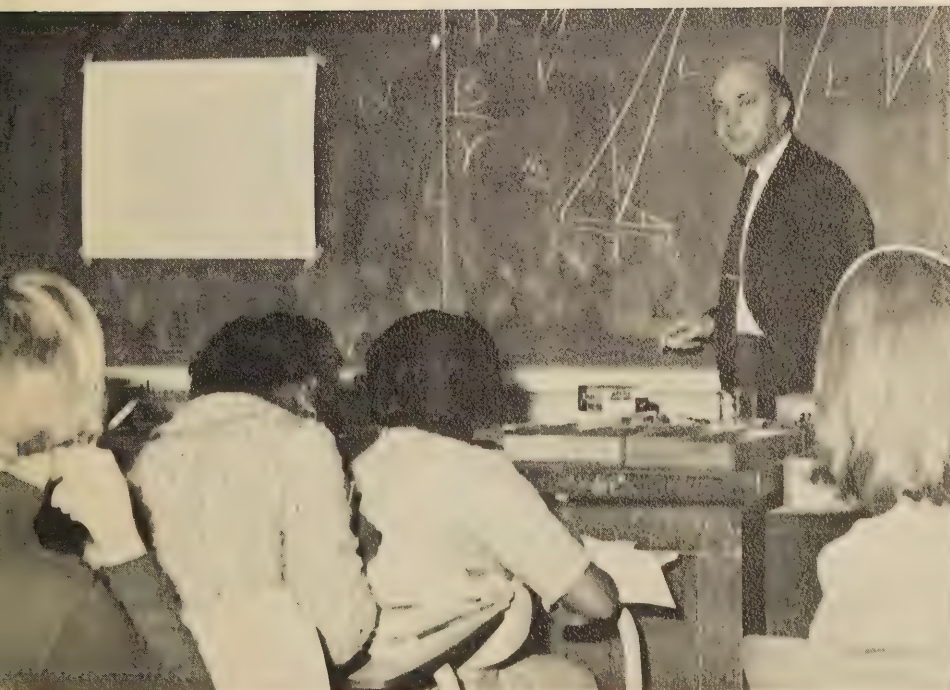

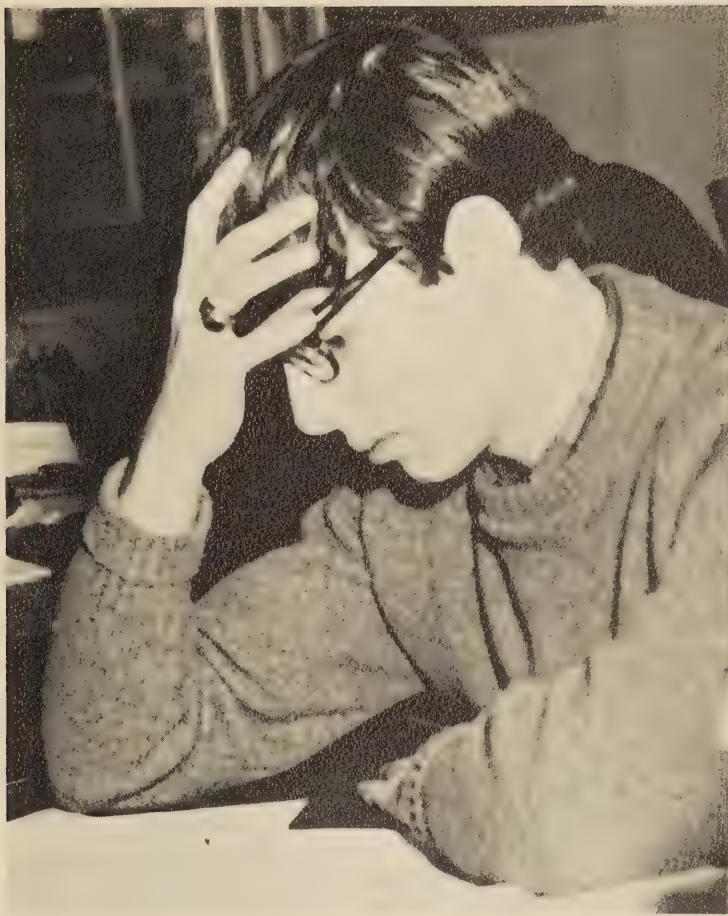

Belloc

*The real essence of work is concentrated  
energy.*

Bagehot

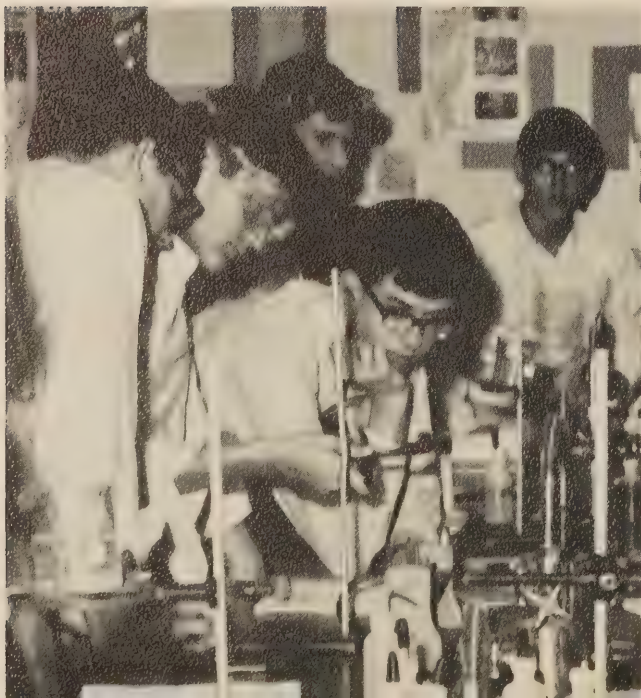

*Education has for its object the  
formation of character.*

Spencer

*The world is so full of a number of things,  
I'm sure we should all be as happy as kings.*  
Stevenson

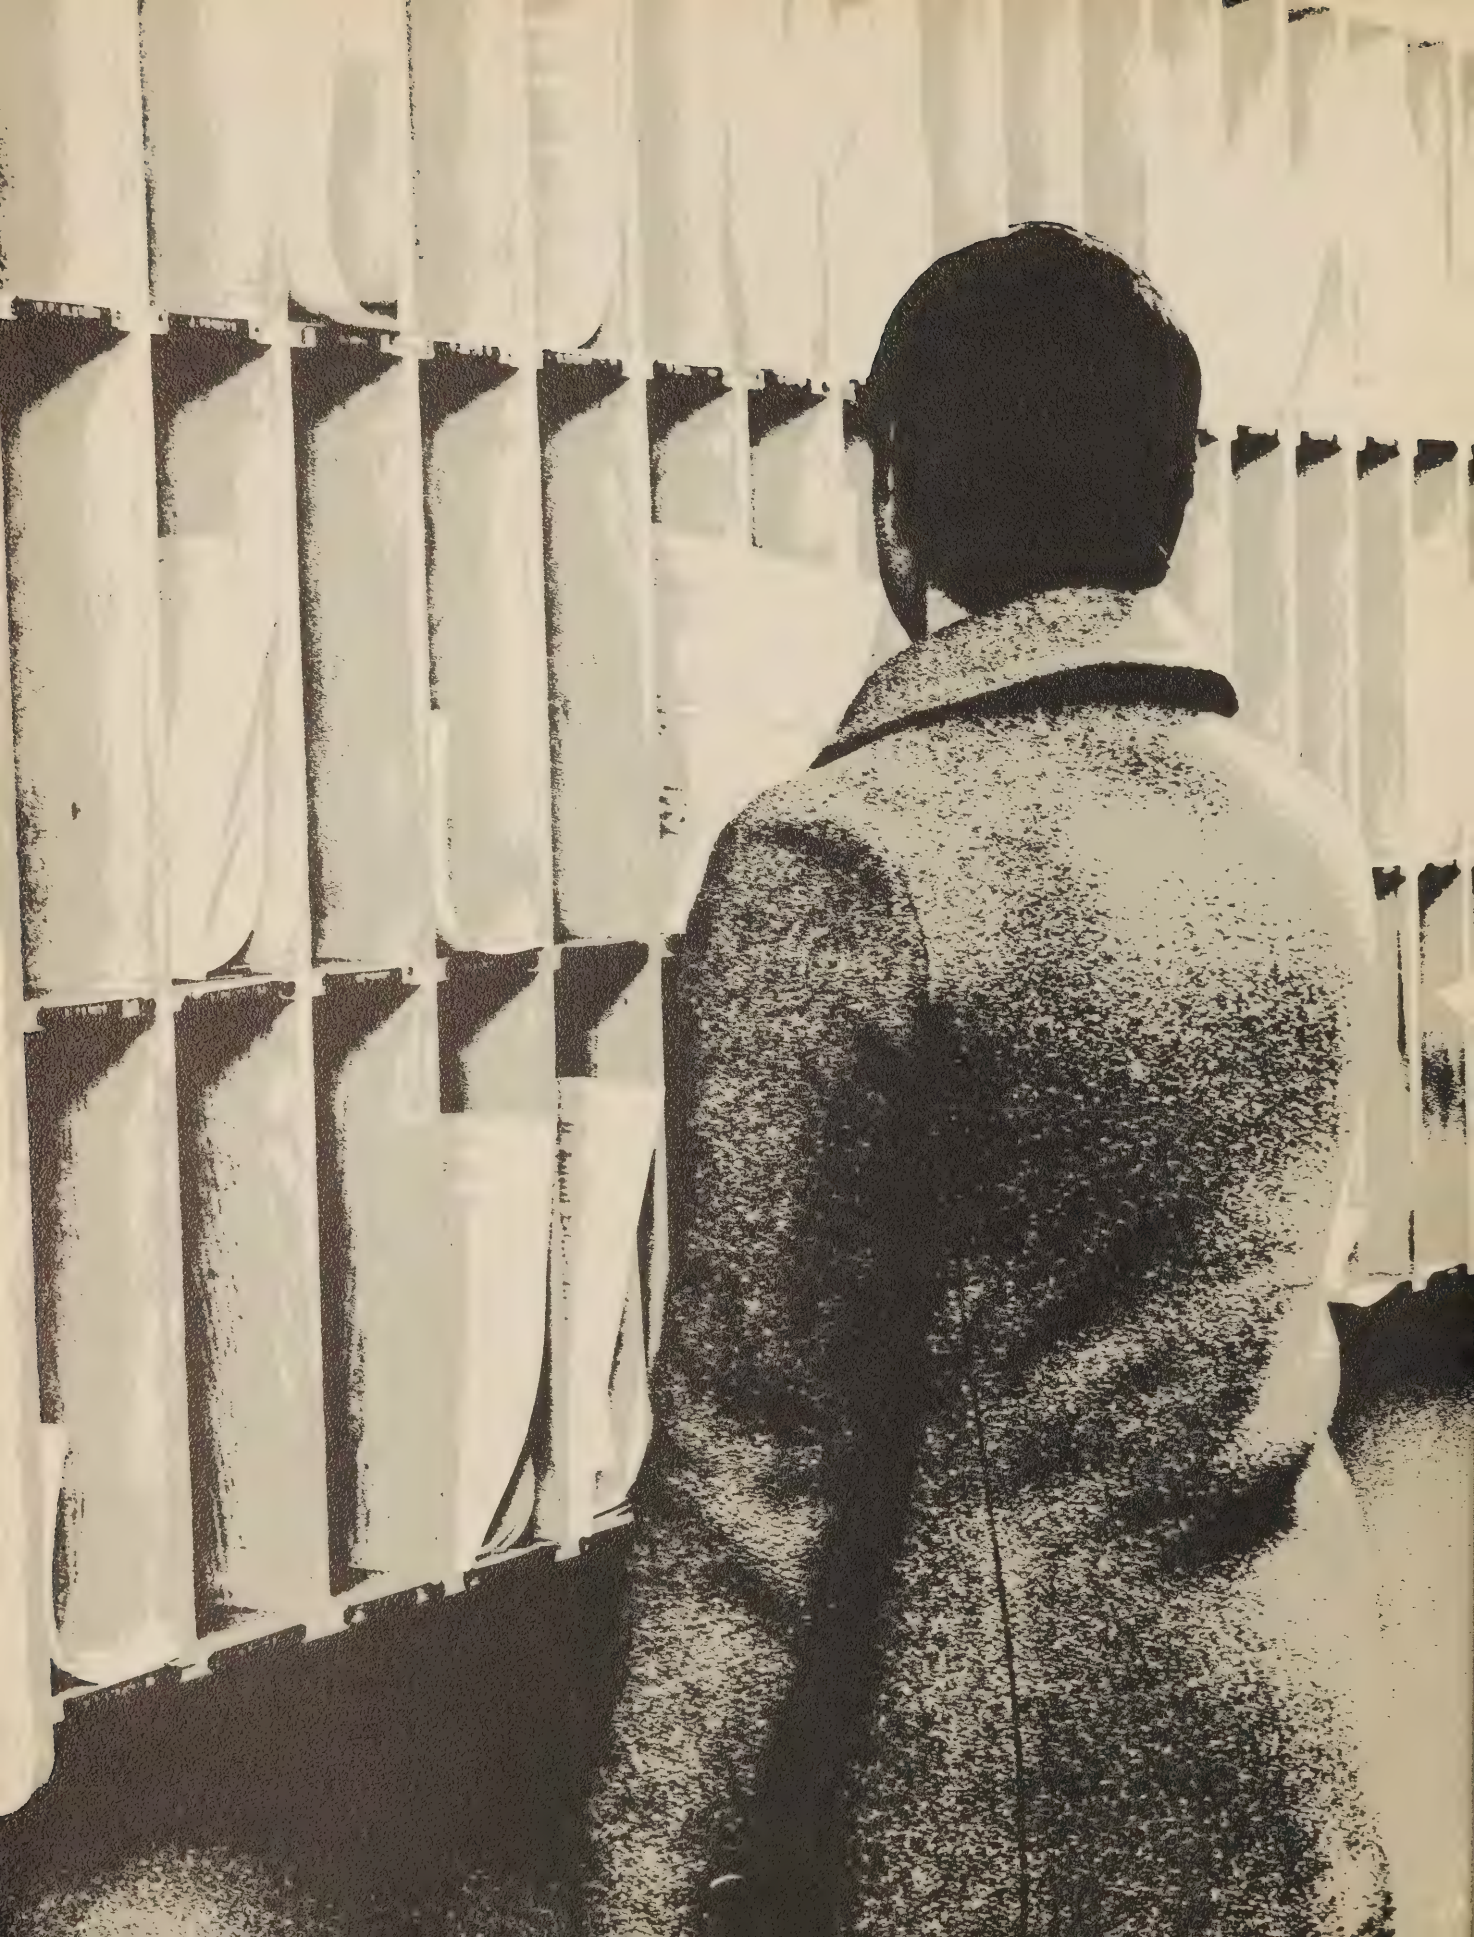

*Observations more than books, experience  
rather than persons, are the prime educators.*  
Alcott

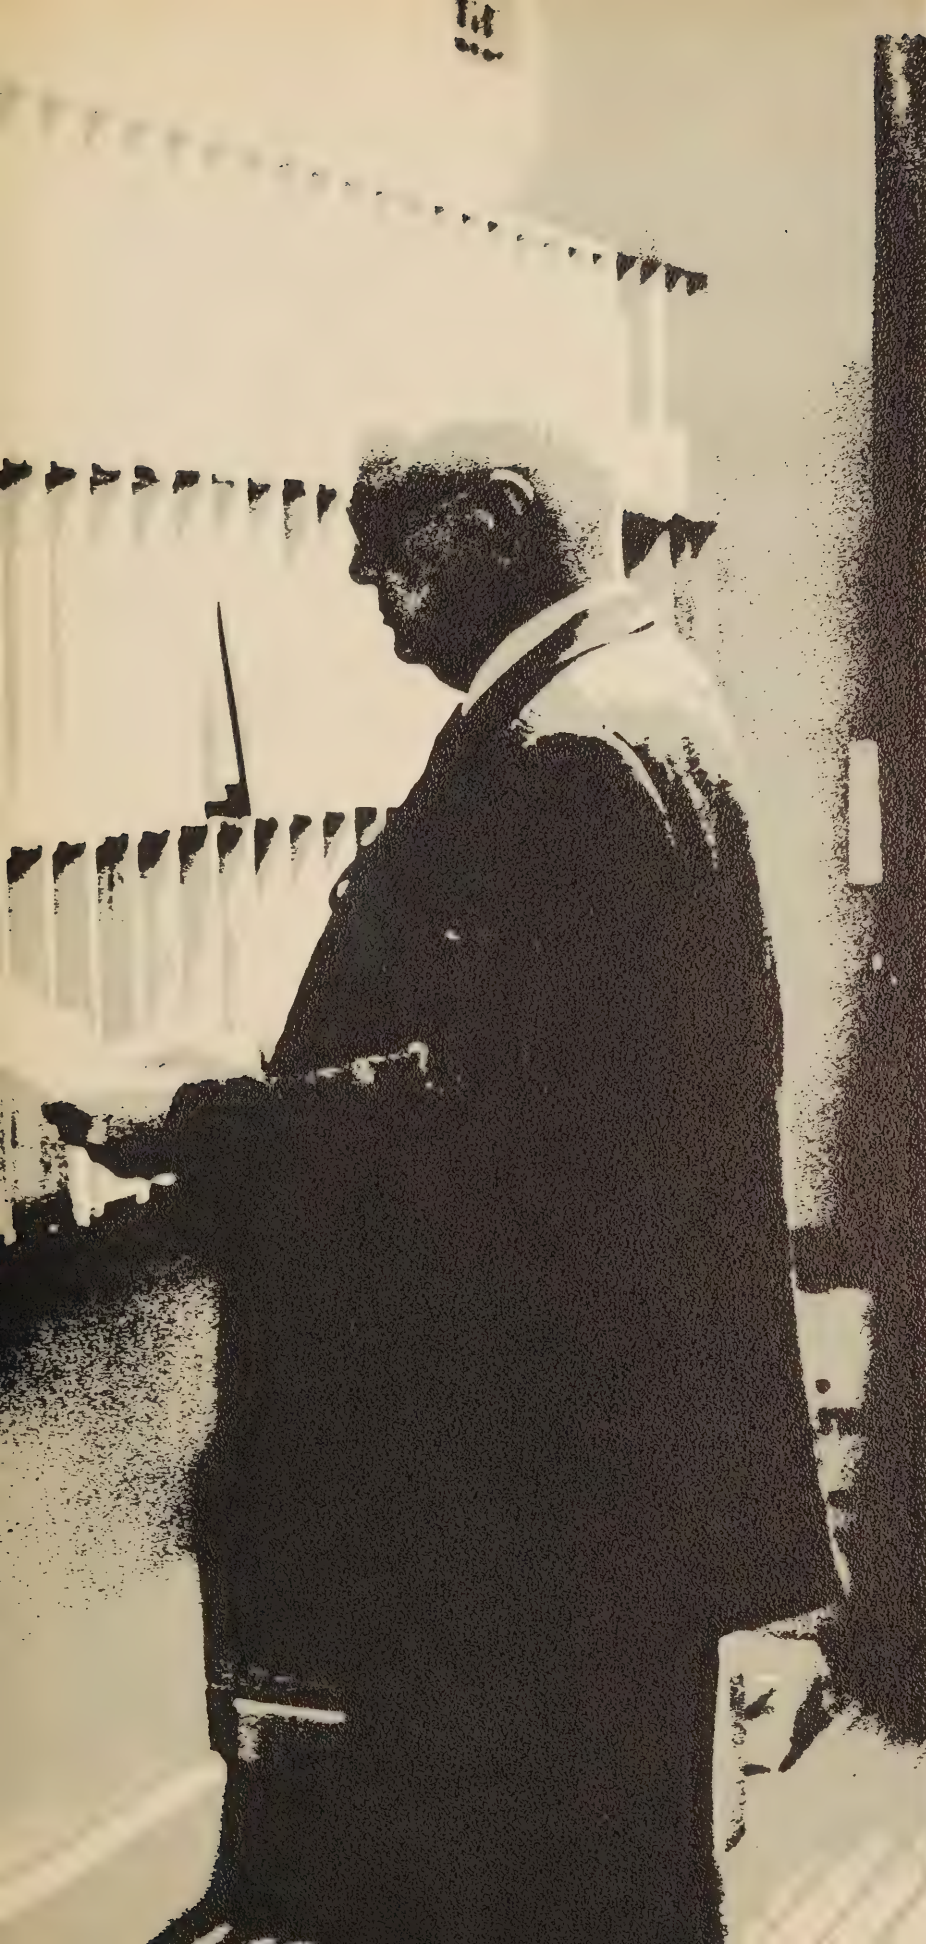

*Knowledge itself is power.*  
Bacon

# Principal

Wallace F. Gleason

## PRINCIPAL'S ADDRESS

As this world is still torn with strife, think of what you might do to encourage peace among all people. We look around to find our young men fighting in Asia. We extend our thoughts to Europe to find unrest and unhappiness among the people. We look to our own shores to find strife in all areas of the country. Civil unrest is disturbing. We must extend the hand of brotherhood to all in the hope that the bitterness in the hearts of men may diminish. We must be ever mindful of our obligations to our neighbors, and remember the parable of the Good Samaritan.

May the years ahead be pleasant for you. May they be free from anxiety, and may the passing years take us closer to the day when the rights of all are respected.

In this school you have been cooperative, you have been successful. As you leave us, remember us for trying to teach you how to become ladies and gentlemen, and good citizens in this disturbed society.

# Senior Class Council

This year the Senior class elected as its officers Stuart Goldberg, president; Sylvia Reiter, vice president; Cynthia Beams, secretary; and Jackie Johnson, treasurer. With the help of these competent officers, the council sponsored the Senior Play, *Dino*, and the Senior Prom, held at the Brunswick Inn. The class council also made plans to purchase the 1967 Class gift. The class council worked hard to serve the class and the school; it will long be remembered for its excellent service.

# Foreign Exchange Student

To all my friends at P.H.S.,

The time has flown by, and my year here is almost gone. I'd like to take this opportunity to tell you what a really wonderful year this has been and thank all of you for the help and friendship you have given me. I hope I leave a little of England behind when I leave, then I will know that this year was a true success.

Plainfield High School is a fine school, and I am proud to have been able to come here. You have many talented students, both academically and athletically, and teachers who are all very friendly and kind. Participating in Student Council, *Milestone*, Pep Club, and *Entrée* has given me the exciting experience of meeting people and working for P.H.S.

Cheerio! I'll never forget you all.

Luv,

*Ann Versey*

Ann with her American mother and sister, Mrs. Kent and her daughter, Margaret.

Ann arrives in the United States.

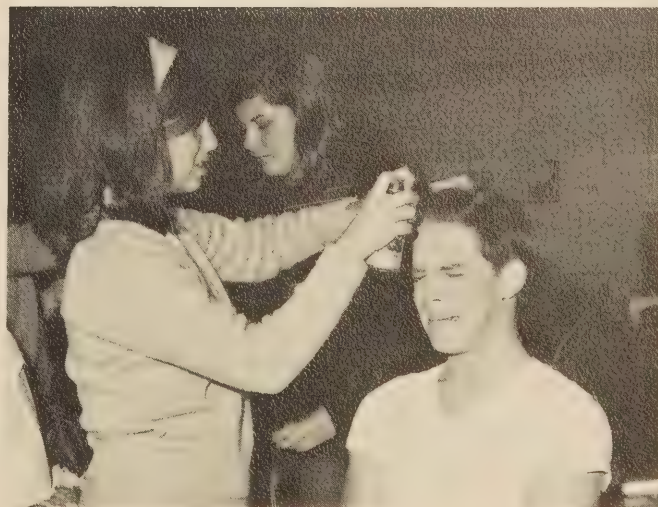

On November 11th and 12th the class of 1967 presented *Dino*, a story of the rehabilitation of a juvenile delinquent. The play combined humor with sadness, and action with suspense. The cast was made up of Seniors Mark Ittleman as Dino Falcaro, Sue Koblenz as Mrs. Falcaro, Robert Freidman as Mr. Falcaro, Stuart Goldberg as Tony Falcaro, Isable Wolfe as Shirley, Burton Clarke as Mr. Sheridan, and Bonnie Cutler as Jackie. Under the direction of Mr. Sapir and student director, Michele Reed, the cast put in endless hours of hard work to bring to the community this most memorable event. Needless to say, all who saw the play will remember the fine performance, especially those who were lucky enough to get to scribble their names on the scenery . . .

*Dino* was also a great success financially, as it brought in more money than any other past Senior play at P.H.S. The entire class of '67 is to be congratulated for its hard work and good participation which made *Dino* one of the best Senior plays yet!

## Senior Play

### DINO

Tony happily greets Dino.

Dino confesses to Mr. Sheridan.

The silent reunion of the Falcaro family.

Jackie in one of her more quiet moments.

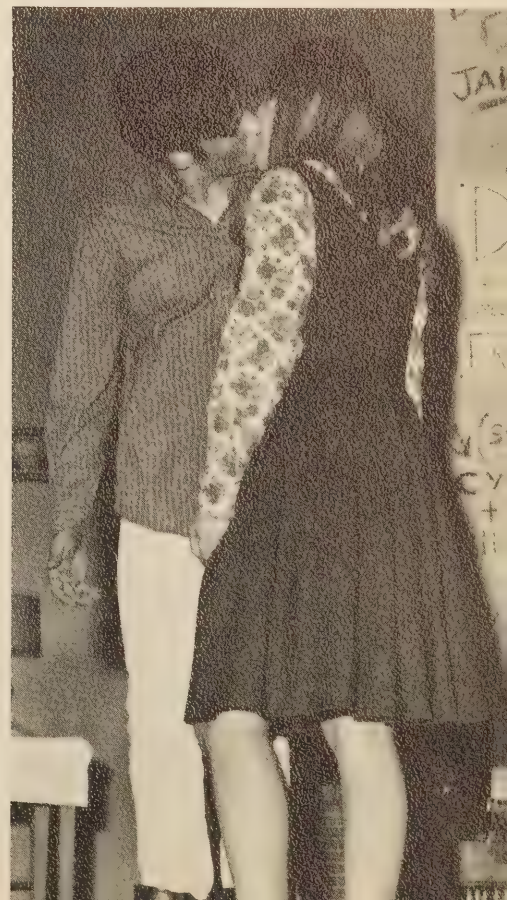

For his brother's own good, Dino slugs Tony.

Dino and Shirley share a first kiss.

A gossip session of the girls at the James Street Settlement House.

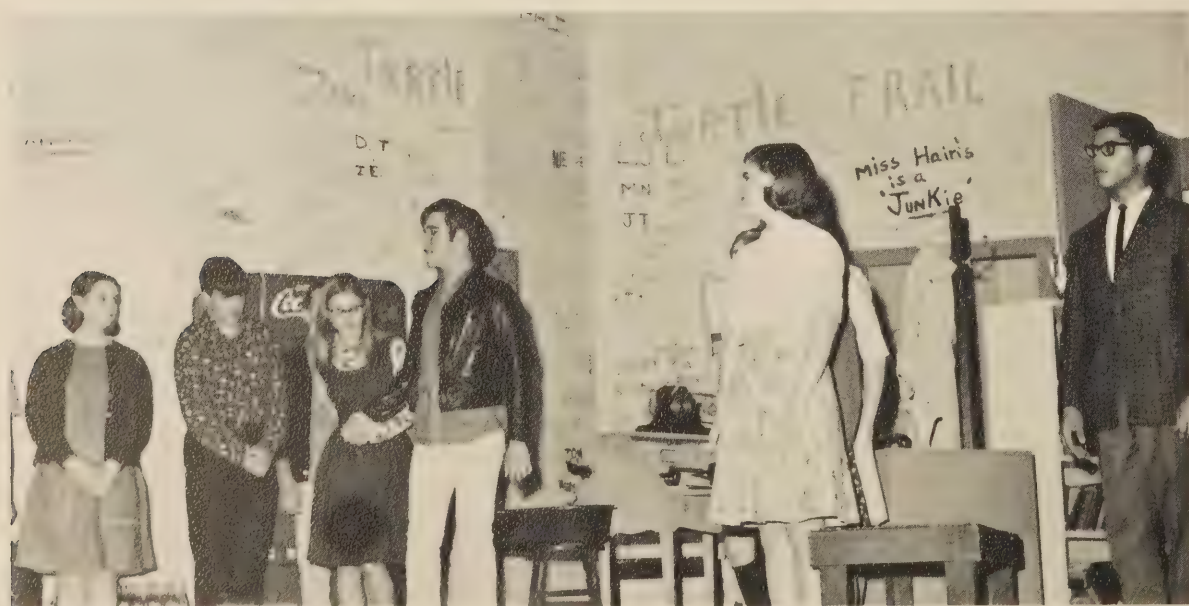

"Why don't you just leave me alone!"

Dino with his probation officer, Mr. Mandel.

The cast takes a well deserved bow.

This year a record number of Plainfield High School Seniors won recognition for outstanding achievement on the National Merit Scholarship Qualifying Test. Mr. Gleason presented the awards to seven Finalists and to twenty Letter-of-Commendation winners. In the previous six years of the National Merit competition, only one class has come close to equaling the accomplishment of this senior class. 29,166 students from New Jersey took the test, and 434 semi-finalists were chosen, which is little more than one per school. Semi-finalists advance to finalist rating by receiving the endorsement of their school. The names of the Merit Scholarship winners will be announced in May.

## ACTIVITIES

The 1966-67 Student Council.

## Student Council

"We, the students of Plainfield High School in order to stimulate and develop a healthy school spirit, to encourage and maintain participation in school activities, to create a clearing house for student opinion, and to prepare ourselves more fully for complete participation in our national democracy . . ." so states the Preamble to the Constitution of the High School Student Council. It is the job of the homeroom representatives along with the four officers to implement the goals of the constitution.

The faculty advisors, Mr. Kern and Miss Bridges direct the meetings which are actually run by: President, Dennis

Gingold; Vice President, Douglas Lowenhaupt; Secretary, Mary Burfeind; Treasurer, Richard Lang.

With approximately twenty committees, the Council engages in a great number of projects, proposed and supported by the representatives and the student body. The major achievement of the Council this year was the conception, formulation, and adoption of a Two-Party System for Student Council Executive elections. Other original ideas were the Early Bird dance to raise funds for AFS, and a traffic safety campaign. The Council also continued the Letters to Vietnam program.

Mr. Gleason swears in the 1966-67 Student Council Officers: Dennis Gingold, President; Doug Lowenhaupt, Vice-President; Mary Burfeind, Secretary; and Richard Lang, Treasurer.

The Usher Squad, under the supervision of Mr. Bauman, ushered at all assemblies as well as at special programs and at the 1966 Commencement. Each usher is assigned to a special door or floor position. The entire squad is made up of seniors selected at the end of their junior year because of their reliability.

Martin.*

## Library Council

The purpose of the Library Council is twofold. One is to act as a service club to equip our school with an extensive and efficient library. The second purpose is to interest young people in the field of library work.

The club consists of forty members each of whom must devote two periods a week to service the library. They must also attend a meeting every Friday morning during activity period. The members should keep an average grade or better.

This year Sharon Dworkin, a member of the Library Council, is also the historian for the New Jersey State Library Council Association. Sharon and our librarian, Miss Jones, attend a NJSLCA meeting once a month where they help plan the state conventions.

One major project our library council has undertaken is a paperback book store to raise funds for the school and to pay for trips to state conventions.

# Plainfield-Westfield Rivalry In Its Fifty-Fifth Year; Cardinals To Seek Revenge For Last Year's Shutout At Devils' Hands

by Robert Shesser

Thanksgiving Day, 1966, could prove to be one of the most interesting days of the year, as the annual rivalry between the Cardinals of Plainfield and the Blue Devils of Westfield will once again resume in all its fury. The competition, which is in its 55th year, has seen Plainfield win 32 times while Westfield triumphed 17 times with 6 ties.

This year proves to be one of the most important clashes as Westfield, winner of the Watching Conference, will be putting its undefeated, untied record on the line. Plainfield, finishing second to Union in the race for the Greater Central Jersey Group IV title, will be fired up in an attempt at revenge for last year's shutout at the hands of the Blue Devils.

Coach Gary Kehler, in his sixth year at the helm of Westfield, has piloted them to a conference title. Their last loss

was on Thanksgiving Day, 1964, when the Cards defeated them in Plainfield, ruining an undefeated 1964 season.

Kehler feels that Westfield has a balanced attack, relying on a team effort rather than one "superstar" dominating play. The coach thinks that Governor Liv-

Plainfield Coach Abe Smith

ington High of Berkeley Heights and Scotch Plains-Fanwood High have been the toughest opponents which his ball club has faced this season.

In their march to victory, the Blue Devils have relied mainly on a double wing, unbalance-line type offense in an effort to get maximum performance from the fine arm of senior quarterback Jim Murphy. This potent offense is backed by a strong Oklahoma-type defense. A six-man line will probably be utilized in an attempt to stop Plainfield's powerful inside rush.

Kehler's main worries are the tremendous speed and power of Cardinal backs led by Jim Slaughter, Keith Toombs, and Joe Schiappa. "You have the great ability to go around either end and then again there's always the reverse," remarked the coach when asked what he expected from Plainfield's offense.

Plainfield had an unexpected rooter in its attempt to defeat Union last Saturday. Gary Kehler

was hoping for a Cardinal victory because if Westfield were to defeat an undefeated Plainfield they would receive more acclaim. A man who will see that this idea does not happen will be veteran Plainfield Coach Abe Smith, who has built this year's Plainfield team into a powerful ball club

Westfield Coach Gary Kehler

equal to or better than its 63 predecessors.

The Smithmen have a concentrated offense sparked by potent inside power and fast hard hitting sweeps. The job of quarterback is filled by junior, Bob Milligan, who when passing has shown remarkable poise under fire. He passes on a rollout and has been able to hit either Plummer or Attaway frequently. Milligan's backup man is Rod Plummer.

Plainfield has specialized in the wing "T" and "I" formation offenses which they have used very successfully racking up an average of 21 points per game. Jim Slaughter leads the backs in scoring with 30 points. He is followed closely however, by Milligan, Toombs, and Geltzeiler.

The collision of the two teams will occur at 11:00 on Thanksgiving as a crowd of 6,000 will be on hand to see which team will emerge as victors and which as the vanquished.

### Dr. Conant Returns To PHS For American Education Week

American Education Week at PHS was highlighted by a visit from Dr. James Conant, former president of Harvard University and author of "The American High School." Nine years ago, Dr. Conant spent some time at the school when he was researching the material for his book in which PHS is described as being one of the comprehensive high schools.

While Dr. Conant was visiting PHS, he talked with various members of the school administration. He was interested in

stress on "marketable skills" in the vocational department.

This year American Education Week was inaugurated November 6 through 12. The theme for AEW was entitled "Education Adds Up."

During American Education Week, parents of Plainfield High School students were encouraged to visit the high school to observe the curriculum being introduced. The purpose of this was to illustrate to the parents the type of education being received at PHS.

November 10, which included a preview of the senior play, "Dino."

Dr. Jean Francis, vice-principal, said that 304 students from last year's graduating class of 523 are continuing their education.

"This year PHS boasts an outstanding student record. The greatest number of students this year were named Merit Scholarship semifinalists or received Letters of Commendation from that organization," Dr. Francis

### Juniors, Seniors Participate In Holiday Training Program

Plainfield High School is giving a training course for junior and senior students who are selected by local employers for Christmas Retail Trade sales jobs.

Students who participate in the program must have been approved by their class advisor and all their teachers as having satisfactory school and citizenship records.

Students who have a satisfactory record are given a Special Introductory Form which they take to employers for whom they would like to work. The employers interview the students and then notify the Placement Office of which students they will employ, if they successfully complete the Training Course.

The Training Course is a ten-hour program given at PHS. The

## Entrée

Under the guidance of Mr. Zimmerman and Mr. Borque, the Plainfield High School newspaper, the *Entrée*, has had its most successful year yet. This year's editors are: Cathy Wills, editor-in-chief; Judy Newitz, news; Paul Hanneman, managing editor; Robert Shesser, sports editor; and Linda Lombardi and Nancy Von, feature. Burton Clarke heads the art section and Arthur Glaser is the photographer. Judy Pines and Joan Barnosky manage the business staff.

The *Entrée* includes a record of events taking place both in Plainfield High and the Plainfield Community. By writing for the *Entrée*, interested students are given the opportunity to gain working experience in journalism. Ten regular issues are published annually.

Each year the *Entrée* is entered in the Columbia Press Association Contest and in the Scholastic Press Association of New Jersey Contest. In both of these, the paper competes against papers from around the nation.

## P.H.S. News Bureau

The News Bureau is Plainfield High School's link with the Plainfield community. Through the medium of the *Courier News*, the citizens of the Plainfield area are informed of the important school activities that take place at PHS. Students who write for the News Bureau are given the chance to learn more about journalistic writing and to see their articles printed in a commercial newspaper. Although articles are not published with any set frequency, the News Bureau attempts to submit as many stories as possible during the year depending upon school activities.

Mark Mazur, a senior, is the News Bureau Editor, and Mr. Zimmerman is the club's advisor. Approximately thirty five reporters, many of them journalism students, write for the Bureau.

# Junior Classical League

The purpose of JCL is to promote interest in Latin, and the club did just that this year. Through Latin games and songs, advisors Miss Horn and Mrs. Campolattano showed the members that Latin is still a versatile, living language. Junior Classical League activities this year included celebration of the Saturnalia, a trip to the State Convention in Trenton, a penny sale, and the annual project which helps children of Lotts Creek, located in Appalachia. In May, JCL held its yearly banquet, to which members and their guests came attired in Roman togas and were waited on by student-slaves.

## Plaintalk

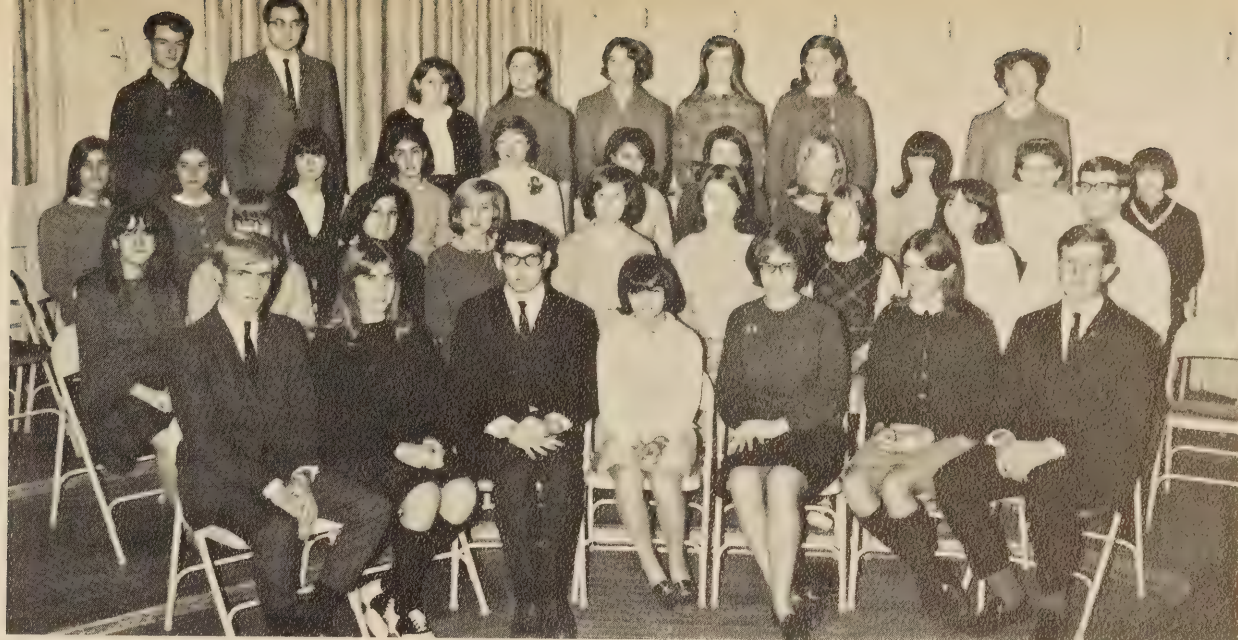

*Plaintalk editors, left to right:* J. Schuldenfrei, L. Hothan, K. McDaniel, Miss Eagan, advisor.

*Plaintalk*, the literary magazine of Plainfield High School, annually presents the best written works of the students. For several months during the first few months of the year, *Plaintalk* conducts a prose and poetry contest, the winners of which receive a gift certificate to a local bookstore. The judges select the most original and imaginative stories and poems from those entered. The three *Plaintalk* staffs, literary, art, and business, work together to publish the single edition in the Spring. Miss Egan is the magazine advisor.

## National Honor Society

The members of the Henry Banta Chapter of the National Honor Society are elected for qualities of scholarship, character, leadership, and service. In addition to serving Plainfield High School by delivering the *New York Times* to students and faculty members and by sponsoring a guest speaker for an assembly program, NHS took a trip to the Papermill Playhouse to see Tommy Sands in *Take Me Along*.

The forty National Honor Society members were inducted in an evening candlelight ceremony attended by parents of the members. Mrs. Vogel is the Club's advisor. Officers are Arnold Bloom, president; Janet Wachtel, vice-president; Linda Campolattano, secretary; and Janet Axelson, treasurer.

## Chess Club

Every Tuesday, the Plainfield High School Chess Club meets in Room 350 under the guidance and supervision of Mr. Booher. The Chess Club competes against other area schools every two weeks. Approximately eleven schools, all members of the Union County Chess League, are played annually.

Within the PHS Chess Club, a ladder tournament is conducted. The boys challenge each other to matches, and the winning player works his way to the top of the ladder. It is this player who competes against other schools in the tournaments.

Each year the Chess Club picks a PHS chess champion. He is awarded with a trophy by the club.

*Left to right:* A. Snyder, D. Tobert, M. Masters, Mr. Booher, D. Drelich, S. Kober, M. Frankel.

## Band

One of the proudest, most vital organizations in the school is the Plainfield High School band. The red blazers and straw hats have added great color and spirit to the school since the beginning of the year.

This past fall, under the direction of Mr. Michael Sawczak and Drum Major Gerald Hoffman, the Marching Cardinals presented their half-time shows throughout our victorious football season. Those early Saturday rehearsals brought their reward in some very complicated and entertaining marching maneuvers. The marching season culminated with the annual Band Banquet. At this point in December, seniors who were in the band for three years were awarded letter sweaters.

In the winter the band underwent a transformation in preparation for the annual Spring Concert on March 17. The members spent long hours of rehearsal developing the concert's theme of contemporary music. The band also performed for several civic organizations of Plainfield as a representative of the spirit and talent of our school.

## Key Club

The Plainfield Kiwanis Club sponsors the Key Club of Plainfield High School. Mr. Wolgammuth, a member of the Kiwanis advises this community service club. The club's main project this year was a dance held to raise money to adopt a Korean orphan and to offer a college scholarship to a deserving senior.

Among the Key Club's school and community service projects this year were the distribution of the March of Dimes collection cans, cleaning up around the Booster Club after the football games, picking up debris in the park across the street from the school, and contributing to various charitable organizations of Plainfield.

## P.H.S. Airtime

Every Saturday morning over WERA radio, listeners hear the radio voice of Plainfield High-PHS Airtime. Under the supervision of Mr. Petronella, moderator; Rick Bromberg, and program coordinator, Louis Stylianos; the club works to produce an interesting, informative program every week. Students who desire to learn the technicalities of radio or those who want to hear their voices on the air are active members of the club. The show brings news, sports, and feature interviews to its audience. Participants in PHS Airtime plan, write, and record more than thirty programs a year.

## Office Helpers and Messengers

Almost every one of the students in our school has made use of the services of our office helpers and messengers sometime this past year. The messengers are students who give up their study halls to work for the Attendance office, the Front office, or one of the other offices of our school. They deliver messages, pick up attendance slips, and do everything they can to facilitate the work of our school's secretaries.

*Left to right:* Mrs. McAloon, S. Jacobson, S. Gerzoff, Bill Reich.

The Human Relations Club, meeting every other Monday of the month is under the supervision of Mrs. McAloon and Mr. Thomson. Its purpose is to try to help students in understanding their fellow man. Members strive towards this goal by means of various activities including discussions of social topics and work on community projects.

The major project of the club is the sponsoring of a "Human Relations Day" to promote friendliness among the student body.

## Drama Club

The largest club in the school, Drama Club, is led by Mr. Sapir. Drama Club promotes interest in the theater through participation in club programs and several productions. Club programs this year allowed students to display talent in various areas, such as pantomime, acting, and singing. Various technicalities of drama were presented in programs on make-up, costumes, lighting, and scenery.

Through working on productions, members learned many aspects of professional theater. Professionalism was stressed this year, giving students a new interest in Drama

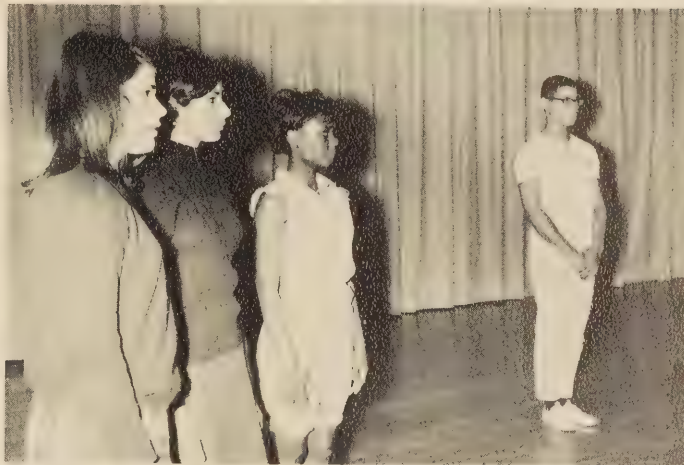

Club. Several plays were produced throughout the year. There was a one-act play presented in January, the Inter-class plays in March, and a three-act play in May. Contest plays were taken to P.A.L.T.C., Rider College, and Glassboro State College.

The Drama Club is governed by Drama Council, which consists of club officers and three members and an alternate from each class. Drama Club culminated its year with the presentation of Oscars and other awards, the election of new officers, and performances given by winners of Oscars.

## Assembly Committee

The group responsible for planning most of the assembly programs for this school year has been the Assembly Committee. Under the capable guidance of Miss Czlapinski, Mr. Sapir, and Mrs. Mooney, this group has made great efforts to present programs which would please the entire student body. The students in this group, dedicated to their weighty task, have achieved remarkable success in their assembly programs. Highlighting this year's assembly programs were the traditional Thanksgiving, Christmas, and Spring Assemblies. Who could forget Charlie Brown's idea of Thanksgiving and the legend of Super Turkey? Memorable too, was the thought-provoking and moving Christmas assembly which combined a historical narrative with a choral background.

As a whole, this group, led by Chairman Irwin Hollander, has strived to present a diversified program for the student body. It has presented assemblies that were educational, informative, and entertaining.

## Stage Electricians

Under the direction of Mr. Nelson, both the stage electricians and members of the Projection Squad serve Plainfield High School. Thanks to the hard-working stage electricians, many plays, assemblies, dances, and other events were successful this year. These boys were the backbone for all stage activities concerning lighting and sound. The members of the Projection Squad are students who are interested in working with audio-visual aid equipment. They assist faculty members with the use of the projection equipment.

# American Field Service

Plainfield is one of the many American high schools involved in the American Field Service. The A.F.S., originally founded as a volunteer ambulance corps in 1914, became in 1941 a program to bring foreign secondary school students to the U.S. and soon developed a program to send American students abroad.

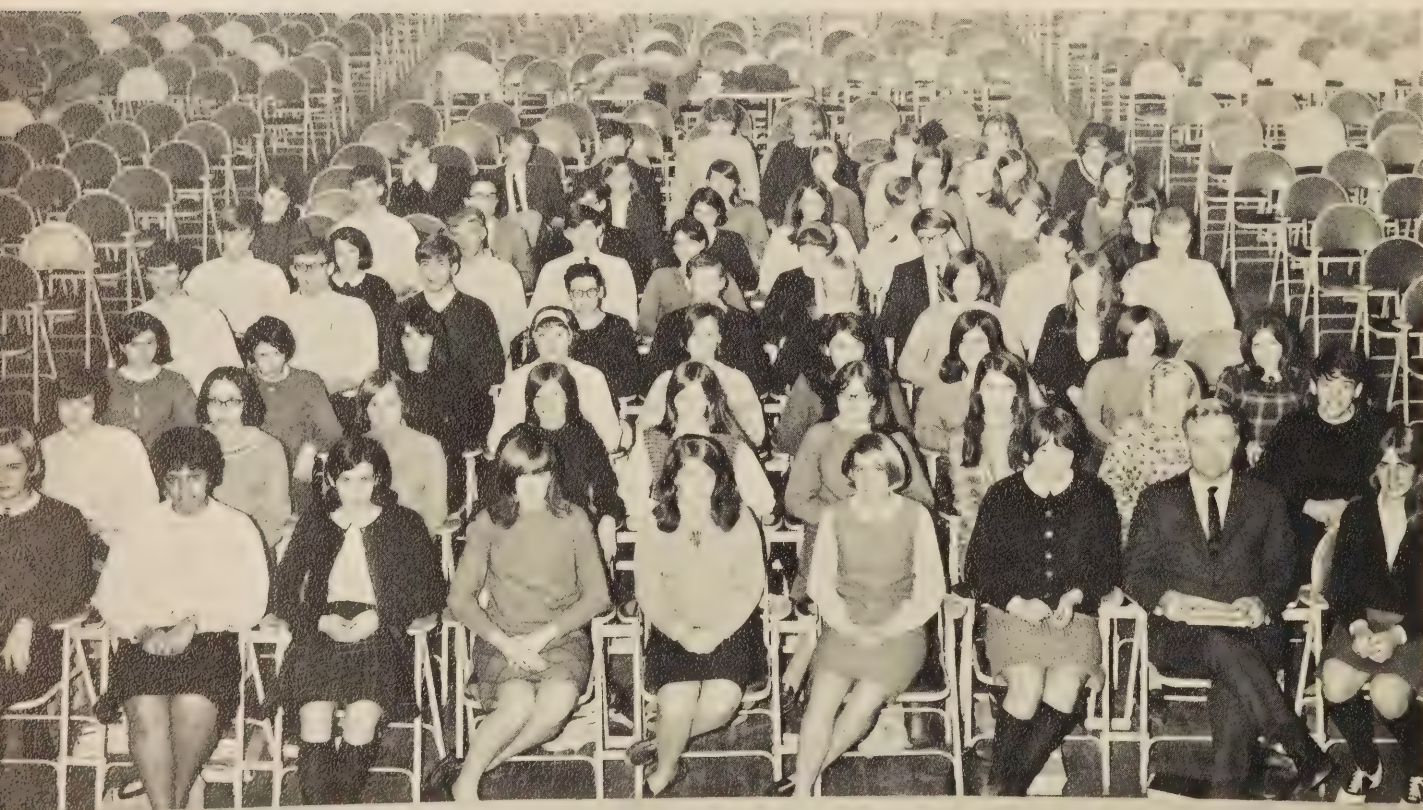

The purpose of the A.F.S. is to increase the understanding among peoples of the world by giving young students opportunities to live and study as members of carefully selected families in other countries all over the world.

Both a school program, during which an exchange student spends an entire school year in another country and a summer program, during which participants visit another country only during the summer are in existence. Participation in the A.F.S. program requires students to accept many challenges and responsibilities.

Approximately sixty students belong to the Plainfield Chapter of the American Field Service. Chapter officers are president, Barbara Vail; vice-president, Patricia Browne; secretary, Margaret Kent; treasurer, Peggy Shand. Club advisors are Mr. William Ball and Mrs. Elizabeth Rifino. Meetings are held once a month on Wednesday nights. The exchange student for this year is Ann Versey from Leeds, England.

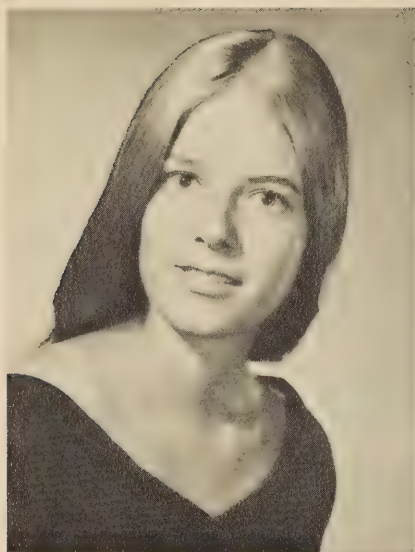

This year's major fund-raising project was a one month sale of A.F.S. bonds for the purpose of financing next year's exchange student. Bonds were sold at the Plainfield-Westfield Thanksgiving Day Football Game as well as all over the city resulting in a profit of \$1100. The bond sale was very successful considering this is the first year that this project has been tried.

Other planned activities include an A.F.S. dance and an assembly featuring A.F.S. exchange students from other schools in this area.

The American Field Service

Deborah Tellerman was Plainfield High's exchange student for 1966. As a winner of the American Field Service nationwide competition, which bases its selection on character, leadership, scholastic ability and personality, Debi spent her year in western England, where she attended a private girls' school.

# Chorus

The choral director of Plainfield High School is Mr. Hooker, who has been selected as the All-State Chorus Conductor for the 1967-68 season. This year the four choruses were accompanied by Tom Hannon and Kathy Hoffman. The small mixed chorus presented its annual scholarship concert in the fall. The concert featured Mattie Harris as soprano soloist and Tom Hannon as accompanist. The Christmas concert in which all four choruses participated was highlighted by the presentation of Vivaldi's *Magnificat*. The Spring Concert was highlighted by the Peaceable Kingdom by Randall Thomas. In addition to the three annual concerts, the small mixed chorus performed for various service clubs and Plainfield schools. Following the tradition of past years, the seniors of the small mixed chorus caroled through the halls of P.H.S. before Christmas recess.

# Future Teachers of America

The members of the Future Teachers of America Club are those students who are interested in teaching as a career. The club, advised by Mr. Ciliberto, acquaints the members with various phases of the teaching profession. Guest speakers, including college representatives of the Student Education Association and Plainfield High faculty members, lectured on their own teaching experiences, college preparation for a teaching career, and other topics of importance and interest to the members. The seniors in the club ob-

served classes in Plainfield elementary schools twice during the year to see the progress made by the students. All the members participated in the Teachers' Aid Program, in which each member assisted a school faculty member during the year. In addition, many members helped with the Tutorial Program sponsored by the Student Council. The club's fund raising project was a bake sale to raise money to finance a trip to one of the state FTA conventions.

# Future Homemakers of America

The members of the Future Homemakers of America, under the direction of Mrs. deVerstaire and Mrs. Roberson, learn the essentials of personal, family, and community living. In addition, they learn the art of entertaining and making family life harmonious and congenial. The girls apply what they have learned by successfully entertaining in their apartment.

The main projects of the year included bake sales and the sale of hand made articles. The profits were used to contribute to charitable organizations, and to send the officers to the annual F.H.A. convention in Atlantic City.

The Future Scientists Club of Plainfield High School stimulates its members to delve into the problems of science. Many of the members plan to enter scientific fields as occupations, and the club makes them aware of the varied types and levels of science.

The club meets every other week in the Physics Lab, where the members see films, take part in discussions, and hear guest speakers. Mr. Lonsky, head of the Science Department, directs the club's activities.

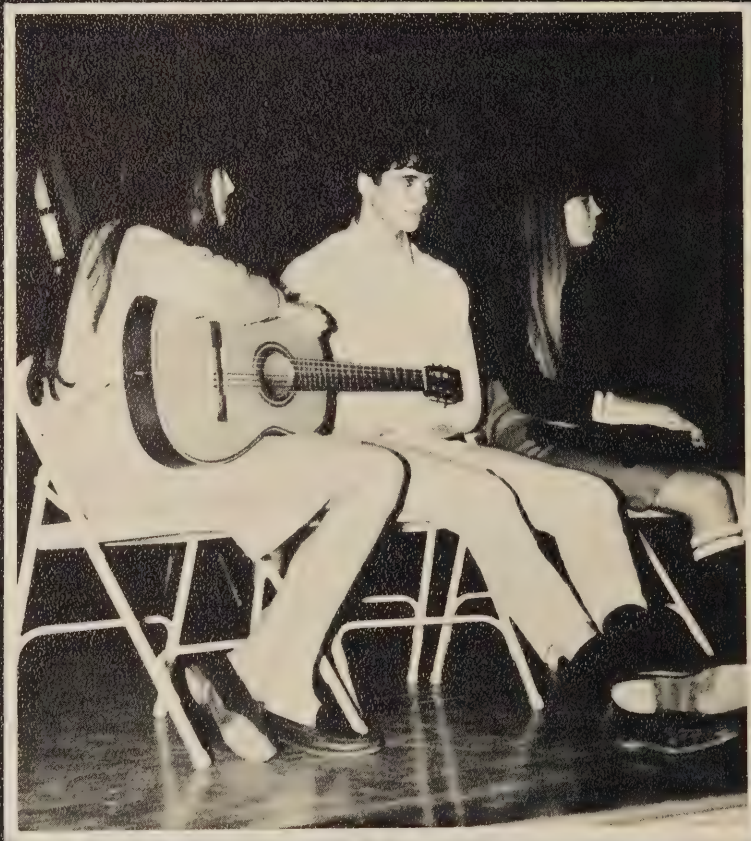

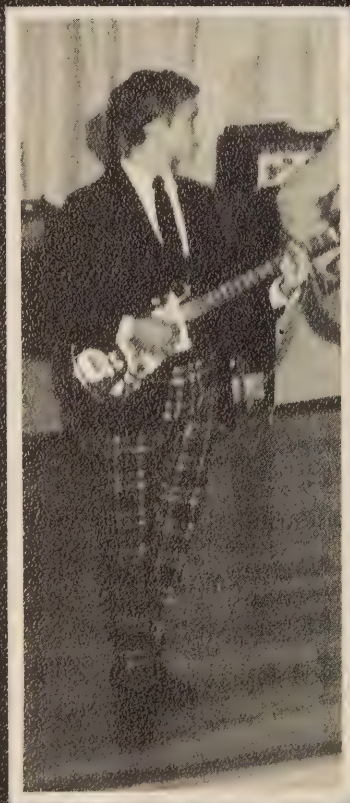

## Future Nurses Club

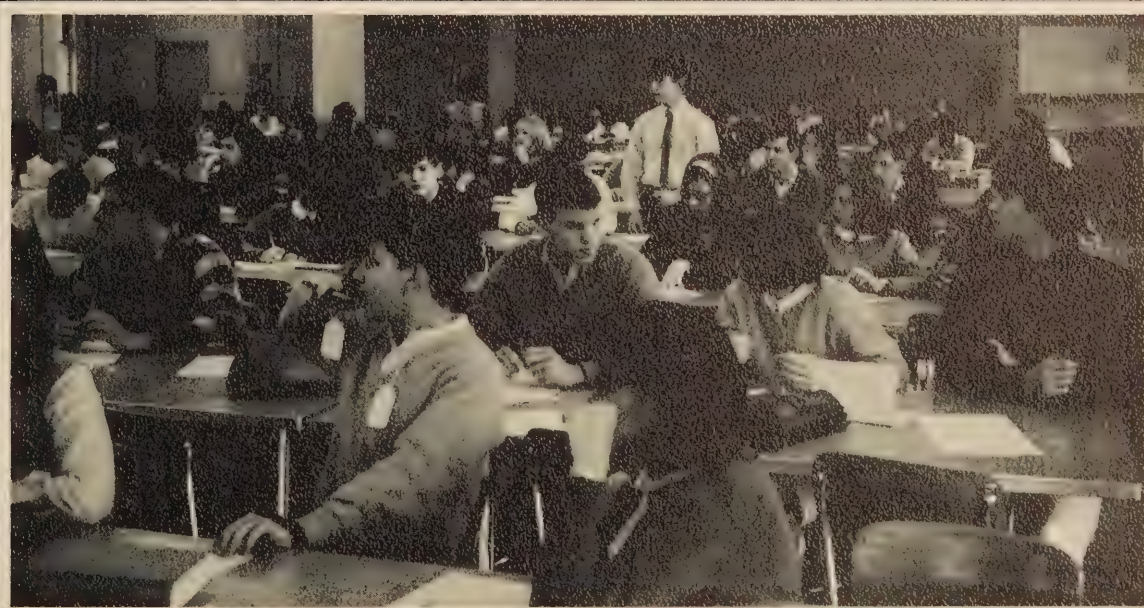

The Future Nurses Club has a membership of twenty girls who plan to enter the field of public health. The purpose of the club is to educate the members about all the opportunities in nursing and the responsibilities involved in health work. The group meets under the direction of Mrs. Dolgins, the school nurse.

The girls participate in discussions, view films, and listen to guest speakers. Their main fund raising project of the year was a cake sale which provided the money to buy gifts for young children in the hospital.

## Football

Cardinal line practices on sled before meeting opponents.

The Cardinal football team opened the 1966 season with the school's 300th gridiron victory since PHS first started playing football in 1903. A topflight defense and a strong offense gave the club an 8-1 record, the only loss coming on a 30-14 beating by Union. The Smithmen's fine season mark earned them the honor of being a co-winner of the Central Jersey Group IV championship, sharing the title with East Brunswick.

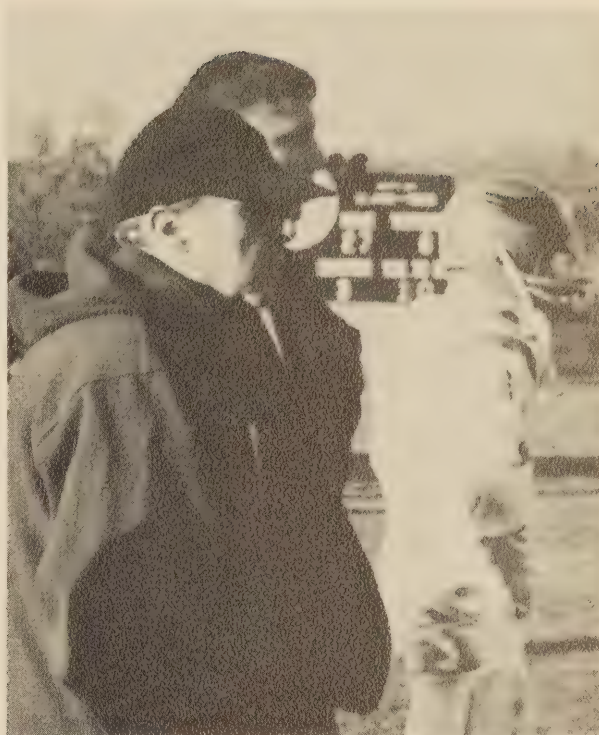

The highlight of the season was the 33-14 victory over arch-rival Westfield on Thanksgiving Day.

Standouts on the squad representing the class of '67 were halfbacks Jim Slaughter, Milt James, Keith Toombs, and Gary Grey, fullback Joe Schiappa, ends Justin Plummer and Al Attaway, and linemen Joe Sitko and Ron Scott Bey.

Craig Miller

The Plainfield Harriers posted a 6-10 dual-meet record as Roger Meador completed his sophomore season coaching the squad. The Meador-men's attack was bolstered by such fine runners as seniors Vince Dezuzio, Craig Miller, Dennis Gentles and Howard Ellis; sophomores, Steve Rosenthal and Glenn Cornelius; and Charley Schneckloth, a junior.

Meador said of the season, "We have a truly fine record this season despite a slow start." Meador is optimistic about next season when he will have an excellent nucleus of returning lettermen.

Second row: Coach Coleman, G. Weaver, J. Plummer, C. Wright, R. McDaniel, L. Pyles, W. Banks, R. Scott Bey, Coach Callabrese.

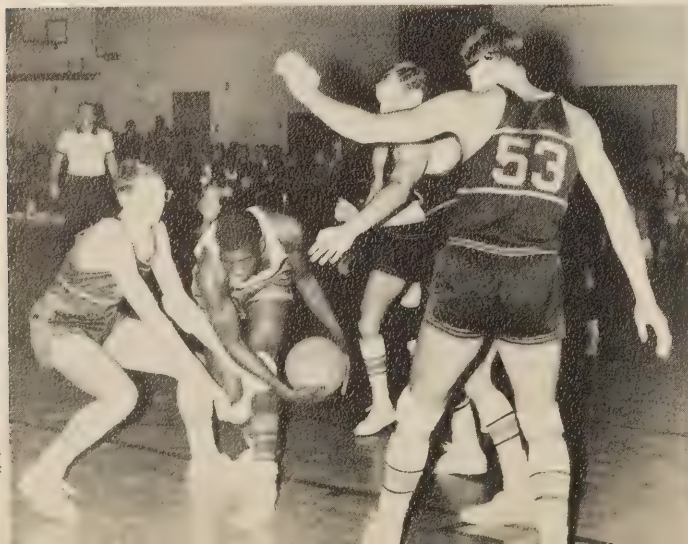

This year's varsity basketball team leaped off to a tremendous start when it won its first four games of the season. A loss to Camden and an upset by Westfield broke the winning streak, but from then on, V-I-C-T-O-R-Y was the cry for Joe Coleman's Cardinals. The team finished with a 19 and 4 record for the season. After a long, hard, well-played victory with Roselle, the Cards went on to take a second place in the Union County Championships. Having won the first round of the State Championships, the Cardinals found themselves in Rutgers Gymnasium where they were unable to defeat the Linden Tigers for the fourth time in the season. The final score was 51-50 in overtime.

Next year's team will suffer the loss of seniors Bob "Jazzy" McDaniels, Clevell Wright, Al Gordon, Allan Attaway, Billy Banks, Fred Schwartz, Justin Plummer, Roger Appell, and Tommy Boyle. Returning Lettermen will be Warren Luck, George Weaver, Gary Anklowitz, and Sam Greenblatt. The junior varsity will also be giving next year's varsity team a number of very good and experienced ball players.

## Wrestling

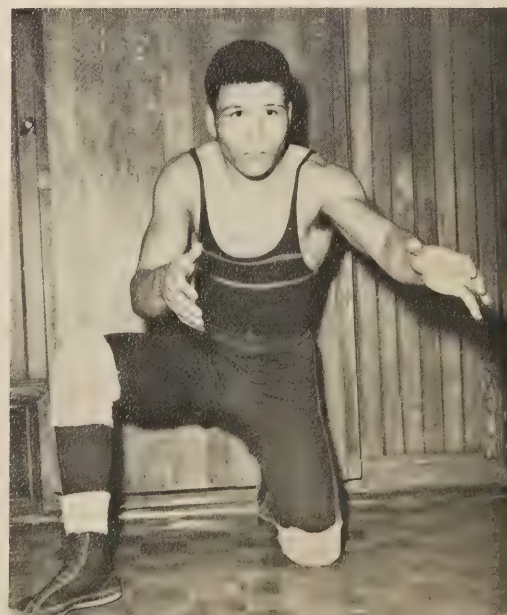

Coach John Pepe's matmen won the District 20 Championships, defeating such tough teams as South Plainfield and Scotch Plains-Fanwood. Both teams had previously beaten Plainfield in dual meets. Although the Plainfield team as a whole lacked depth, there were several outstanding individuals. Seniors Jim Slaughter and Jim Smith won many matches. Paul Chambers and twins Bob and Ed Bailey also displayed fine wrestling in this year's meets.

The P.H.S. Outdoor track team finished the season by winning the Central Jersey Group IV Championship scoring 44 points. The second place team managed only 29 points. However, the team suffered through a discouraging season of dual meet losses. With a final record of 2 wins and 8 losses, the team was hindered in dual meet competition because of lack of depth in many events, especially the distance running. The P.H.S. team was lead by the consistent performances of Floyd Williams, Mickey Allen, and Jan Cheiffi. Williams was the fastest sprinter in the state and often paced the team in dual meets by winning three events. Mickey Allen also was superlative in his event, being the state's finest hurdler.

This year's team lost Williams, Allen, and Cheiffi. The returning hopefuls for this year are Keith Toombs, Larry Langford, Roger McCray, Charley Schneekloth, and Craig Miller. Coach Roger Meador is looking forward to another fine season.

## Baseball

The 1966 baseball squad, headed by Coach Jack Liddy, started fast but was slowed by an injury to the key shortstop, Ormie Davis, early in the year against St. Mary's of Elizabeth. The weather was also against the Cardinals. More than one-third of the games were rained out. What Coach Liddy called "his best pitching staff in ten years" blanked four opponents in the first six games. Due to the slow finish, the team ended the season with a 6 and 11 record. Bobby Duchin, our adept third baseman, batted over .300 and led the club in RBI's and runs scored. He was selected as Most Valuable Player. Tony Tumolo also was a big gun in the Cardinal line-up, batting over .300. Fastballer Al Gordon, a letterman, will return this year to anchor the Cardinal pitching staff. The other returning letterman, Jazzy McDaniel, has played varsity first base since he was a sophomore. Jazzy, 6'6", is also a Card cage standout. The competition will be keen for spots on the 1967 team, with many seniors graduating. The 1966 JV squad promises to produce a good team this year.

The Cardinal Golf Team proved to be nearly unbeatable in 1966, rolling to an awesome 18-2 record in dual meet competition, both losses coming from a tough J. P. Stevens team.

In post season competition the Plainfield Linksmen also sparkled. The Cards copped first places in the Greater Jersey Group IV Championships and the N.J.S.I.A.A. Districts. Coach John Pepe's forces took second in the county tournament and third in the state's.

The team was paced by Bruce Young (with a 13-7 record), Alan Schlecter (18-2), Dave Wynn (13-7), Frank O'Brien (18-1-1), Howard Goldstein (12-8), and Bob Milligan (11-9).

The 1966 tennis season which was led by returning varsity men Gary Moss, Rick Cohen, and Mark Mason finished the season with an 11 win 5 loss record. The season did not start with bang, but certainly did end with one . . . Plainfield won its last five matches, and players were sent to compete in the county and state tournaments. Ricky Cohen, plus the Lang and Craig doubles team, went to the county tournament. Cohen lost in the first round, but Lang and Craig went on to the quarter final round. Ricky Cohen, Gary Moss, Lang, and Craig went to Princeton to compete in the state tournament. Gary Moss and Ricky Cohen were both defeated in the second round. Lang and Craig will be the two top men on the 1967 team after having gained one year experience on the 1966 team.

Ricky Lang and Bob Craig practice net work.

Gary Moss readies an ace.

*First row: B. North, D. Wicks, V. Turner, P. Balcius, L. Schkeeper, M. Bullen. Second row: N. Kremer, J. Blick, N. Smith, J. Korab, R. Kravitz, M. Ciufo.*

## Cheerleaders

The Cheerleaders have done an excellent job this year at promoting school spirit at various sports events. This is a sometimes difficult job, but with their exuberance and vitality they were able to form the backbone of our school spirit. Their enthusiasm and constant support helped to boost team morale greatly. In the fall, the varsity and junior varsity squads led cheers for both football games and soccer. In the winter, they came in off the gridiron to cheer our basketball team on to victory.

Much of the color, excitement, and spirit of the football games can be attributed to the twirlers. These girls play a major role in promoting school spirit. At football games they help rouse the crowd by aiding the cheerleaders in leading cheers and helping the band with their pre-game and half-time shows. Much hard practice comes before these marching formations which add a lot to the atmosphere of our football games. One of the highlights of the season was the hula girl and palm tree formed with crepe paper during the Hawaiian half-time at the Thanksgiving game. When the football games are over, the twirlers turn to concerts and parades. This year they have performed for the Kiwanis Club, the Old Guard, junior and senior high assemblies, and the spring band concert.

First row: Y. Cunningham, P. Ross, J. Smith, L. Schneider.  
Second row: Co-captain M. Braxton, L. Polishook, S. Einhorn, G. Johnson, J. Jespersen, Captain J. Scherer.
